## 7. DECLARATIONS

### DECLARATIONS - DATA PROTECTION ACT & RESIDENTIAL USE

#### Interpretation and reliance

Any reference to “we”, “us”, “Phoenix Money” or “Lender” refers to Phoenix Money Group Ltd or any subsidiary or holding company thereof (Group Companies). Any information provided by you may be used and relied upon by any one of the Group Companies in accordance with the terms of this Application.

#### Residential use declaration

I confirm that neither I nor any related person has ever occupied and is not intending to occupy the Loan Security OR myself or a related person has occupied the Loan Security but I currently own (and will own on completion of the loan) at least one other buy to let or investment property. I understand that related person means anyone who is a spouse, parent, brother, sister, child, grandparent, or grandchild; or any other person whose relationship with me has the characteristics of the relationship between husband and wife.

#### Data protection act

In considering your application, we may search your record at credit reference agencies (“your records”). They will add to your records details of the search and your application, and this will be seen by other organisations that make searches. Information held about you by the credit reference agencies may already be linked to records relating to one or more of your partners. For the purpose of this application, you may be treated as financially linked and your application will be assessed with reference to any ‘associated’ records.

An association between joint applicants or between you and any named partner/spouse may be created at the credit reference agency. This will link your financial records, each of which will be considered in all future applications by either or both of you. If an association already exists, then your application will be assessed with reference to these associated records. This situation will continue until one of you successfully files a disassociation at the credit reference agency.

It is important that you give us accurate information. We may check your details with fraud prevention agencies, and if you give us false or inaccurate information and we suspect fraud, we will record this. Your records may be shared with other organisations and used by us to help make decisions about credit and credit related services, such as insurance for you and members of your household; trace debtors, recover debt, prevent money laundering and fraud, and to manage your accounts.

We, the credit reference agencies, and the fraud prevention agencies may also use your records for statistical analysis about credit, insurance and fraud. We may also use information about you to carry out market research. Fraud prevention agency records may also be shared with other organisations to help make decisions on motor, household, credit, life and other insurance proposals and insurance claims, for you and members of your household. Please phone us on 0151 294 6302 if you want to have details of those credit reference and fraud prevention agencies from whom we obtained to whom we pass information about you. You have legal rights to these details. You have a right to receive a copy of the information we hold about you if you apply to us in writing. A fee will be payable.

#### Property valuation statement

We may record details of the property and the purchase price (if applicable) on a database which will be used by us and other organisations to value properties, as well as for administration, research, and statistical purposes.

We will make a valuation appraisal of the property. The making of an advance implies no representation or warranty as to the condition or value of the property.
